## PROFILE SUMMARY

Data-driven Brand Marketing Strategist with 3 years at HCLTech - delivering GTM execution, brand governance, stakeholder management, competitive analysis, and integrated marketing communications at global scale. Skilled in messaging and positioning, demand generation, content strategy, customer segmentation, and cross-functional stakeholder management. AI practitioner across 10+ tools; built an internal three-agent AI pipeline for competitive analysis and brand naming governance. Currently using with AI to learn technical skills like SQL, Python, HTML, CSS and JavaScript skills to build personal products. Seeking brand, strategy or product marketing roles at the intersection of strategic marketing and emerging technology.

## WORK EXPERIENCE

### Manager, Corporate Brand · HCLTech

May 2023 – Present

#### Brand Campaigns & GTM Execution

- Spearheaded Gartner VOC global integrated marketing campaign - **20M+ impressions**, high quality leads, 25% conversion lift via AI-driven audience segmentation and cross functional stakeholder management.
- Managed INR **50L Delhi Airport OOH campaign (AI Impact Summit, Feb 2026)** - **1.5M+ impressions**; budget management, asset creation & placement and end-to-end vendor coordination.
- Led **creative and website track** for HCLTech's sports partnership digital activations - Figma wireframe and coordinated microsite delivery across design and digital teams for the **DP World Tour Official Digital Experience Partnership**.
- Executed **AI Force** global campaigns in France, Germany and Japan - **1M+ impressions**; expanded GTM reach 20%+ via performance and AB marketing
- Implemented webpage restructuring, creative refreshes and content updates for **MetLife stadium "Official AI Partner" title** (+ New York Giants and Jets)

#### Brand Strategy, Messaging & Positioning

- Drove strategic **brand valuation agency** partnerships (Brand Finance, Interbrand, Kantar etc.) contributing to 15.9% YoY brand value growth - HCLTech ranked fastest-growing IT Services brand globally.
- Converted **B2Bi perception survey** into 12 geo and vertical sub-decks presented to CXOs, sales and marketing leaders - **saving ₹70L+** in agency fees; insights drove Germany brand familiarity +15% and informed GTM strategies across 8 markets and 4 verticals.
- Revamped **'About Us' webpage** via UX-informed content strategy; from wireframe designing to quarterly updates – increasing average **dwelt time by 12%**
- Strengthened **Customer Experience Center (CEC)** experience: introduced dedicated Brand Zone Experience for client visits in all HCLTech's CEC globally
- Built **three-agent AI pipeline** with copilot automating competitive screening across 20+ IT peers and brand naming governance for **500+ JIRA entries**.
- Led **brand governance** programme - misalignment reduced 40%, compliance improved 25%; streamlined **100+ offering naming requests annually**.
- Directed pan-India rebranding of **100,000+ lanyard assets (INR 40L)** in partnership with GWS team, driving brand transformation across all India campuses

#### Awards & Recognition

- ★ **Best Project of the Year Award (2025-26)** - Gartner VOC Campaign won among 20+ submissions from all HCLTech marketing teams across all projects; formally recognised as Project of the Year in the Marketing Excellence Award at HCLTech.
- ★ **Fastest Growing Brand Manager of the Year (2024-25)** - HCLTech internal award for leading brand valuation agency partnerships that drove the fastest-growing IT Services brand ranking for two consecutive years.

### Summer Intern - Sustainability Strategy & Operations · Sun Pharma

May 2022 – Jul 2022

- Mapped **Sun-KPMG sustainability compliance framework** - 5 parameters, 17 indicators, 23 evaluation questions across 18 vendors.
- Organised **cross-functional stakeholder communications** to refine and scale the compliance framework for broader vendor rollout.

## EDUCATION
